To Whom it May Concern,

Subject: New Zealand Steel Licence Number 5717145

Please note our licensee New Zealand Steel is currently undergoing annual verification to confirm its licensed products continue to meet the requirements of the Environmental Choice New Zealand EC-57-16 Pre-painted and Resin Coated Steel specification.

We have extended New Zealand Steel's licence certificate under EC-57-16 Pre-painted and Resin Coated Steel specification to the end of May 2022 while they complete their annual verification.

I can confirm that as part of this process, the attached list of approved rollformers are covered under licence number 5717145.

If you have any questions or require any further information, please don't hesitate to contact me.

Kind regards

A handwritten signature in blue ink that reads 'Keeli Gregory'.
